PART 2: WHO GETS MY VOTE?

## INTRODUCTION

In Luke 20, Jesus is asked some difficult questions. But his response ends up being a better question for us to consider. In this series we will look at some of the questions we've used to keep God at a distance, and how a better question could change everything.

## DISCUSSION QUESTIONS

1. How have you seen politics push people away from God?
2. Jesus could have given us a specific and prescriptive way to approach politics, but he didn't. Why do you think he gave a simple principle instead?
3. Policies matter... but people matter more. What does that statement mean to you? How can you apply that to your life?

## MOVING FORWARD

1. What, besides God, tends to have your heart? What does that look like in your life?
2. What do you need to do in your life practically to "give to Caesar what is Caesar's"?
3. How can you be more known for your love than your opinions this year?
4. How can the group support you in your efforts?
