

A BETTER

question

PART 3: WHAT ABOUT THEM?

INTRODUCTION

In Luke 20, Jesus is asked some difficult questions. But his response ends up being a better question for us to consider. In this series we will look at some of the questions we've used to keep God at a distance, and how a better question could change everything.

DISCUSSION QUESTIONS

1. What are one or two examples of hypothetical questions you have had about God? Do you think the answers to those questions matter much? Why or why not?
2. How have you seen questions like “what about them?” keep other people from faith?
3. Have you ever had a difficult life experience that God helped you make better sense of?

MOVING FORWARD

1. Why is it so painful to ask “what about me”?
2. With God, it's always personal? Why is that a good thing for us?
3. What do you need to ask God to help you process through right now?
4. How can the group support you in that process?
