

## **Future Growth Plan:** **Red Rock New Facility Funding Phase One**

### **The church**

#### **A church with growing pains**

Red Rock Church continues to grow and bear fruit in the heart of Colorado Springs. In our desire to remain faithful to God's calling, **we have to have room to expand**—to provide a welcoming place for anybody and everybody to discover with Jesus while providing for the needs of the greater community.

### **The need**

#### **First-time home buyers**

In seeking God's guidance, we have felt led to take a leap of faith and cease renting facilities. We want to commit to God's work in this city for generations to come. In order to do this, we knew a permanent home must:

- Have enough space to allow for accelerated growth
- Be a wise fiscal decision to ensure long-term stability
- Be centrally located to allow for satellite/multisite expansion

We believe the building at **1710 Dublin Blvd** meets the criteria and is currently available for purchase. We believe this to be an ideal location and have already begun forming plans for the facilities, but **need to secure the down payment of \$1.85 million by August 1, 2020.**

### **The commitment**

#### **A call to help**

As someone who led the way in generosity at Red Rock, we ask you to take another bold step forward. Meeting this opportunity and realizing our vision will require your generous commitment. Pray about your level of involvement and please make your contribution by July 20 through our website, [redrockchurch.org/give](http://redrockchurch.org/give).

Post this page someplace where you will see it every day and pray about your level of involvement.  
Please reach out to us with any questions at [elders@redrockchurch.org](mailto:elders@redrockchurch.org)

**We believe the best is yet to come!**
